Mr. Walter Deane,

My dear Deane:

To my great joy Mr. J. G. Smith sends me a duplicate type specimen of Lophotocarpus spathulatus " for Mr. Walter Deane, whose address I do not know. I take great pleasure in forwarding this specimen to Mr. Deane. You may already have the species in your collection. Tell me what you think of it. Mr. Smith also has a new Sagittaria from New England but I fear I can not get a specimen for you. Mr. Smith's address is, Division of Agrostology, Department of Agriculture.

Yours very truly,

  
Assistant Curator,

Department of Botany.
