

[1899]

My dear Deane:

Yes I am off for Mexico again. I leave here May the 1st, and will be gone about 3 months.

No I do not expect to undergo the exposure of my last trip but shall go this time in a palace car.

I will visit all the large Cities of Mexico making short trips of one or two days in length. I shall take Mr.

Hough with me. I wish it was you. I have a fine chance to do some nice work, and I intend to do it.

Mrs. Rose will probably stay here.

Walter Deane has made great

progress since I wrote to you last.

He has given up crawling altogether. He loves to climb up into the large chairs and now that he is able to get up and down from the chairs we can trust him more. For several weeks we had to keep most of our chairs turned upside down.

I can find no government publication upon the butterfly.

I shall write again before I

Yrs

Your friend,

J. M. Rose
