Mr. Walter Deane,
29 Brewster Street,
Cambridge, Massachusetts.

My dear Deane:

Yesterday I took out a package of bridges, mostly from Italy and Switzerland, which I thought you might be glad to have for your collection. These go off to-day. In the meantime, your very kind letter was received this morning, and has been read with a great deal of interest.

I leave for St. Thomas next Saturday morning. My address during February and the greater part of March will be: "Care, Emile A. Berne, Agent, Quebec Steamship Company, Charlotte Amelie, St. Thomas, West Indies." It is our intention to visit Porto Rico, many of the Lesser Antilles, Curacao, and possibly the northern coast of South America. I hardly expect to reach Trinidad; but in case I do, I shall certainly call on your friends there.

Yours very truly,
