

Dear Deane, Providence, Dec 15, 93

Plt came all right, & I have
gloried over them. Many thanks. Have just
seen the last No of Doe, in which Kate Brom-
ley lay out E. L. Greene for his attack on Dr Gray.
She makes him a howler to men and a pig to the
Gods. She wields an expert scalpel, I think that
Britten catches it all though the number. My
soul's cockles were warmed. Have had some

very rich spells since you left but feel prime
today. May St Nicholas smile on you and
yours! Bailey - W. W.

Sorry you caught cold in the Plantations.
He stole it off with anti-tox down here!
