

Providence, Apr 10, 1894,  
My Dear Deane, Am glad you have two copies  
of the Valley of the Shadow; I can now give mine  
to Adstant, He went out yesterday collecting. I am  
as tramping in this cold air, but then I want to  
do it in the Langsone, he are just discharging  
another crickie who would make a good wife  
for Corey or Swift or Schaub - or some these rant-  
ing and peevish folk. Blessed be hemp!  
May it grow strong! I am teaching my classes  
Compositae, Can get here Cineraria, French  
daisy, and Eupatorium and Pignonia, do there  
any thing else in your markets? If so, please  
let me know.

Yours ever  
Bailez
