

BROWN UNIVERSITY
PROVIDENCE

Aug 2^d 1909

Dear Deane, I see that Colebrook
is appointed to a botanical chair
in Harvard. Pray tell me what you
know about it. Can it be he
succeeding Goodale as Assoc Prof?

As I deflected him from the
Baptist ministry to the Quaker path
of an exact science, I feel him on
my conscience, but the "still small
voice" whispers - "It is well!"

This is written two hours
after my call. No further news
to add of Mr Bailey. All was
well at last reports.

Truly yours
W. W. Bailey
