

Dear Deane, *Touisset Aug 25*
 Tonia is at hand,
 Thanks! Night before
 last I came down with a heavy chill,
 thus proving the wisdom of
 my going up W.P. for this season.
 Dr Gardner was just down from
 Prov. thinks it malaria. To-
 night will be crucial test. I feel
 all right now except pains in back
 and groin. At first this was aw-
 ful, I hardly expect a return of chill
 but if it comes am prepared for big
 doses of quinine. You don't know
 how happy it makes us
 to think of your proposed visit
 with Raul. I had a card from
 the old boy (Raul, not the
 D.) this morn. He wants to get
 to work again! Yr W.A.D.
