TELEPHONE No 429.

The Olde Hostep
of
God Begot.

HIGH STREET, WINCHESTER.

at Lyndhurst - England
Aug 5/913

Dear Mr Deane

Here are the three Reachers again
I am finding all about -
The one with narrow pointed spikes
is - I label it - what the Scots
call "ling" - and the same species
as that found in several localities
in N.E. - as that of West Townsend

I assume that the ramunculus
is R. Flammula - which I have
never seen growing (the type)
~~at~~ in New Forest

Railway

Ware, Robert Allison. 1913. "Ware, Robert Allison Aug. 5, 1913." *Walter Deane correspondence*
