

June 3, 1925

Dear Mr. Deane:-

No — my letter was written  
May 27<sup>th</sup> — Lappas calanisi. — I am interested  
in your Clinton Pruenas. Last fall Miss  
Marshall sent me one from the same general  
region which, to date, has me stumped. I was  
going this spring to visit the place with her, but  
she died in March. — May to you is the same  
thing — make a note of it to run down in  
the fall. Bon voyage to Shelburne — C.D.W.
