Dear Mr. Deane:

~~Rec'd Aug 12~~

~~Perhaps Judge~~

Churchill has told you about
this island. We are staying
about a mile from the
light house, on a corner the
other side of the point.

We have been quite
active in botanizing
and have got a number
of things I never saw before
and none I don't know.
It is a very attractive place
in all ways. - We leave for

Cambridge on the 16th

Sincerely
CWS
