Walter Deane Esq.

Dear Sir,

Your letter regarding carices duly received. I have a few duplicates of *C. Torreya* and some twenty-five or thirty others that I am willing to dispose of. I have never done any exchanging and don't know that I care to just at present, but I will send you specimens and will call upon you at some future time for exchanges or you can pay for them either. If you like I will send you a list of what I have for exchange at present or you might let me know what you particularly desire.

Yours truly R. S. Williams

Williams, R. S. 1889. "Williams, Robert Statham Mar. 9, 1889." *Walter Deane correspondence*
