^{me}
7. *Fimbrinus effusus*

The microstylis is certainly rare. Have never seen it. The herb. needs good Spec. of it. Your Card in relation to *Asclepias* is rec'd but the spec. is not yet. May it not be *A. incarnata*?

Dr. Gray is quite ill with dysentery. Has not been up to-day. The physician thinks he can get up to-morrow.

Have not looked up the *Dalibarda* yet.

More anon,

L.H.B. Jr.
