Dear Deane: I have a problem for you:-
Please observe alder bushes - and in fact
all bushes and trees, especially on cliffs - and
see if the leaves on lower limbs are of the
same size as on higher, top limbs. I
find that I have no *Nymphaea odorata*. It
does not grow here. Can you get me a
specimen? Hope you can find *Pteris*
up there. Hope you are both enjoying your-
selves. Mrs. Hardy very low. Yours L. H. Bailey, Jr.

NOTHING BUT THE ADDRESS CAN BE PLACED ON THIS SIDE.

Walter Deane,
Willoughby Lake House,
West Burke,
Vermont.

Bailey, L. H. 1885. "Bailey, Liberty Hyde Jul. 26, 1885 [Postcard]." *Walter Deane correspondence*
