## DEPARTMENT OF HORTICULTURE AND LANDSCAPE GARDENING.

Agricultural College, I. O.

Ingham Co., Mich., Apr. 29 1887

My Dear Deane:

I am glad that you both had such an enjoyable time in Chicago. In many respects it is a wonderful city.

Your note concerning *Lussilago* reminded me that last summer I was much surprised to find leaves of it about four miles from here. So to-day I drove there and found it in full bloom! Had never seen it in flower before. Much obliged for the reminder.

Ever since I began studying *Carex* I have been trying to get Olney's picture and I have finally succeeded. Now I want *Carex*'s. I have Dewey's.

Spring comes on tediously.

Yours  
L. H. Bailey, Jr.
