My Dear Deane:

I arrived home from N.Y. a week ago yesterday, but only staid over Sunday. This last week I have attended a large institute at So. Haven, my old home, and a very successful forestry convention at Grand Rapids. This week I am to remain at home, but next week I am off for the pine woods, where we are to hold a pioneer institute. Wife says that I am making home my headquarters, but live elsewhere. This

week I intend to spend in  
the Herbarium.

I have not heard from  
you for some days, so that I sup-  
pose Dr Gray has developed  
no new symptoms. It is  
very sad that he should linger  
so long.

We have nice sleighing  
and not very cold weather. Term  
opens three weeks from to-mor-  
row, and I begin then a series  
of lectures to the seniors. I  
wish that I might hear Dr.  
Goodale in his lecture course.

Baby and mother are well.  
Regards from us both to your-  
self and Mrs. Deane.

Yours +  
L. H. Bailey
