My Dear Deane:

The photo of Dr. Gray is at hand. It is by far the best likeness I ever saw, and I am very much obliged for it. You once asked me for some of my work in photography. I mail you to-day a poor sample. I hope that it will not shock you. You may not believe in nude art.

Your carices are *C. echinata* v. *microstachys* and *C. straminea* v. ~~*chloros*~~ *moniliformis*.
The Synopsis is at hand,

1887.

And I will look it over soon.

Our beautiful weather caught a severe cold day before yesterday, and last night stock sank below zero.

We are all well. Mrs. B. would be remembered to Mrs. Deane.

Yours as ever,
L. H. Bailey
