My Dear Deane:

I cannot understand why you should not find No. 2 of the article in June 14 or 15 issues of the Free Press. No. 2 was written from W. Harrisville, June 13, and was entitled "A Dairyman's Paradise". I do not possess a copy of the article but it is preserved in the College record of the journey. I called at the Free Press office and bought the papers containing the articles, but they said that they had no copies left containing the second article. My last article was No. 7, a copy of which I send you.

I am to make a parting speech to the Students & faculty this morning and I must hasten. Will let you know my address in time.
 Yours,
 F. H. Bailey
