

Aug. 23. 1889

My Dear Deane;

The fine lot of *Carex foli-
hicalata* is at hand, and
will go into the ground
to-morrow. I am deep into the
study of Cucurbitaceae. Have polli-
nated 200 or 300 flowers so far this
year.

Yours—

L. H. Bailey

Walter Dean,
East Jaffrey,
New Hampshire.

NOTHING BUT THE ADDRESS TO BE ON THIS SIDE.

Bailey, L. H. 1889. "Bailey, Liberty Hyde Aug. 23, 1889 [Postcard]." *Walter Deane correspondence*
