My Dear Deane:

Yes, get breakfast at  
Canastota. The Two Good House, a  
little over a block from the Station,  
is the best place if you get in about  
on time. The E. C. & N. trainmen stop  
there also. If you are hurried, go  
to the Lewis house, by the side of the  
track.

*C. laxiflora*, type, of my syn-  
opsis is a fictitious plant. No, *all*  
*laxiflora* does not go into *tetanicæ*  
*v. Woodii*, but your specimen does.  
I understand the species now.

Next week I see you!!
