## HORTICULTURAL DEPARTMENT.

L. H. BAILEY, PROFESSOR OF HORTICULTURE.

Ithaca, N. Y., Jan. 13, 1890.

My Dear Deane:

I am just- able to poke about a little, - to sit up a few minutes at my writing and then lie down to rest. It is a long pull for me. I want to get through Rand's plants as soon as possible, I have had them so long.

I have looked over your list and have made what corrections occur to me. It is a good list, and I can imagine the work it has made you. It makes me feel more

than ever that I want to publish a check-list.

I have two Lecture trips on

hand this week. I have given up one,  
and will probably be obliged to  
give up both.

Yours, grunting,  
L. H. Bailey

I have looked over the  
plants, and will send  
them tomorrow.
