L. H. BAILEY, PROFESSOR OF HORTICULTURE.

Ithaca, N. Y., Apr. 13, 1890

My Dear Deane:

My plant of *C. debilis* v.
Strickor is the one sent me by
Faxon as var. D. I can't say if all
his D is alike.

I shall be glad of a little
more *C. Norvegica*.

I am now having my horse
carries mounted up, and I am
astonished to find how many I
collect from various sources during
the year. I have had to put in
several new covers for things which
I had never had before!

This has been a June day and
we have all enjoyed it im-
mensely.

Yours truly,
F. H. Bailey.

Bailey, L. H. 1890. "Bailey, Liberty Hyde Apr. 13, 1890." *Walter Deane correspondence*
