

Horticultural Department of Cornell University Experiment Station.

L. H. BAILEY.

Ithaca, N. Y., Dec. 19 1891.

Rural N.Y. is a general farm paper, scarcely adapted, I think, to your brother's needs. Much stock, etc. Perhaps he wants that. In gardening papers, choose between Garden Forest and American Gardener.

Have just run across Vigne's translation of Schkuhr's Riedgräser!
