

Ithaca, N. Y., Oct. 10 1893

My Dear Deane:

I am glad that you got home in good condition and that you saw enough of the Fair to pay for the exertion. I feel that I saw a good deal of it; but I want to go back for a few days when the best glory of the Indian summer is upon it. But I may not.

I am expecting to get the Botany done this winter. Teachers are pressing me but I can't do it - hastily. This is a big job. I am at it.

I am well, and hard at work. I am now writing Carex for the Check-list of the Botanical Club.
Yours - L. H. Bailey
