Dear Deane:

Home again! Going
away to-morrow.

Yes, that best thing is
Morio, and that makes the
trouble.

There is no Carex Halei recog-
nized any more. Dewey's
plant is Cms. corvi, and
Grey's cannot stand because
the same name had been
used before.

Don't know when I shall
publish my new caricatures
again. Guess I have several.

Grinding on Scrophulariaceae
in 77 & 79 Botany as I get
a breath.

Going to AAA Sat
Brooklyn?

Yours -

S.H.B.
