

Aug, 24,

Forgot to say in my letter that I  
want to get sprays of fruit to photo-  
graph of *Vaccinium* *Vitis-Idaea*  
+ *V. Oxycoceus* + *Rubus Chamae-*  
*morus*. If this reaches you before  
You leave N.H., you may be able to  
secure one or more of them for me  
+ send them to my assistants at Atha-  
ca, C.E. Hann. I have seen Willden-  
ow's + Link's *Rubus* at Berlin. Everyone  
will one the day that I publish on the  
genus; but I must do it! L.H.B.
