

München, Apr. 15. 198

An excursion in Normandy,
a visit to Paris, a day
in Strasburg, the beautiful
fields of Baden, — and I
am once more with my
family! The girls are per-
fectly at home with the lan-
guage & are always taken for
natives; & they want to live
here. But there is no use
staying any longer for them,
so I suspect that mid-
autumn will see us in
Amerika again, altho' I have
a year's leave. Yes, I'll
support your journal. In my
pocket is Prantl's "Exkursions-
flora für Bayern", and the
fields & the Alps must
yield me their treasures.
Dr. Goebel invites me to go
with him; Thine L.H.B.
Yours of 3rd is here.
