Washington, D.C.

Apr. 25, 1903.

My dear Mr. Llewellyn:

I have neglected  
writing you that I did not  
have the Utricularias and  
have not seen them. I am  
glad the Gilia was of  
service to you. It was found  
by a mill where they  
manufacture cereal foods

and there were but two one  
of which I have and the  
other is with a lady in  
Lexington Mass. Miss Nina  
K. Goddard.

Yours truly  
Fellie F. Flynn.
