

Springfield. Jan. 22. 1896.

Dear Mr. Deane,

I have learned that there is an article by you on the Glass Flowers, in the Botanical Gazette. Will you be kind enough to tell me in what number? I can't think of a bit of news to tell you, botanical or family, so I send forth my question unanswered except by regard to yourself & wife. Yours very truly  
Main L. Owen.
