

Clifton, Keweenaw Co., Mich.
Phoenix P. O., May 16 1889.

My Dear Sir,

Yours of recent date
received a few days ago. I send you a complete
list of the plants that I can collect here,
so you can make out a definite list and send
me as soon as you can.

Spring is well
advanced here now, the trees are all green
and I have met *Carex pedunculata* in good
shape to collect as early as last week.

It is raining to day.

I have a pure white flowered form
of *Triphelium pratense* + *Epilobium*
angustifolium; our *Geranium strictum*
here has the fr. bud of fruit stalked in
the calyx.

Yours Truly

Oliver H. Fernald
