Mr. George E. Davenport,
Medford, Mass.

My dear Mr. Davenport:-

Will it be troubling you too much to ask you to look over some ferns from Alaska. I have quite a number of sheets although perhaps not of many species. You will probably not find anything very difficult among them, but I fear I have very few or no duplicates to send you in return. I sent you yesterday a copy of my last Contributions which I hope will reach you promptly.

Yours very truly,

Assistant Botanist.
