My Dear Mr Davenport.

I received your note of
Oct 30th and thank you.

I am glad to know that you
feel that you are gaining ground,
and I hope that you will soon
be in a position to continue in
the line which such interest
for you.

I really hope ^{that}
you will find yourself to get
your collections into the shape
you desire. No one can do it
as you will do it. - and, given
the strength - it is something
in which you will no doubt
enjoy doing.

It is quite natural that the
Flora Committee should feel that
they need your reports on the Pteridophytes.
It is very good of you to say that

will send those from the
Davenport Herbarium. Should
you need more cards than what
I am sending by today mail (100)
please let me know -
With cordial regards I am
Sincerely yours
Robert A. Ware.
