Dear Gray — I hardly knew which end I have
been standing on for the last 3 or 4 months — ¹⁰⁰⁰⁰⁰⁰ overwhelmed
with business — Muscology has been at a perfect stand
still with me for a long time back — It shan't
recede at all events, even if it can't now go ahead —
more leisure times for me are not for off I hope —
about a week ago the box came — The Enumerations
now looks something like — good very good — so are
the two extracts (mines better than vicinas! in one of them)
Entirely satisfied with your distribution of the nets —
Shall have 10 or 12 more ready for 1st May Steam —
Scatter the Enumerations at the East & abroad — I
will attend to the next month. — I received a
letter from Wm Gourlie Jr. Glasgow Scot^d proposing an
Exchange in Manus — He had seen Silliman for pay —
I am taking as one of your letters permits 'till
the 1st May for my article — have put nothing together

yet - it will be quite short just enough to
introduce the 5 plates which I think pretty fine

Postle has sent me proof of 4 - the other 9
appear to be ready by this time - Have them sent
to N. York to be printed off with yours -

If I had time or if I got it soon I
will give Postle a year or two's constant
work - — As for Exph. Exp. Mess. Rich
would never show me but one little bundle
if that is all, it is a miserably small collection
& they had better say nothing about them -

— I dispatched Engelmann's parcel postpaid
by Exphs - 3 copies of Emendations also -

Engelmann is a draft for \$75. the amt. of Conts
for last Emend. will with again work

Yours as usual

(Wm) Sulzerant
