

Columbus O. Decr 17/55

Dear Gray - I have send Tab,^s
I + II. of "Genera of Mammals" for
2^d Ed. of the Manual -

They please me exactly -
near the Engraving - That must
be of the 1st order - If it cannot
be done in stone fully equal to
the drawings have it done on
Copper - get the best artist;
and don't be particular about
price - I'll stand any thing
within decent bounds. -

The lettering of the plates
can be improved - they are
a little Dutchy - particularly

"genera of Marci" at the top

— There can be some improvement
in the lettering on the face of
the plate, but they should not
be heavier or larger. —

I shall send a drawing
evry 8 or 10 days. — There
will be 4 more (probably 5)

Send me your copy of
Hookers *Langeanmania* —

If I keep well I shall
be ready in time — I am
making good headway now. —

will cost 50 or 60 per cent more
space than in 1st Ed. —

Truly yrs WSS
Send back my Rowlett

Sullivant, William S. 1855. "Sullivant, William Dec 17, 1855." *William Starling Sullivant letters* –.
