My dear Guy

Today came package
safe & in good order

The manual is a nice thing
and no mistake - take it all in
all, it will be hard to beat.

Spragues plates are printed,
but I don't like the way you
have scattered them all through
the Book. - Put them all
together at the end in separate
M. & H. - I am sorry I have
bothered you so about the Additions
- But stick them in some way
or other. - What did you

Let that blunder in the
spelling of *Sphaerocarpus* in Tab.
VI, go uncorrected for? & Tell
Mrs Gray to pinch your ear for
me. —

You ought to present
Lescureux with the Manual
he has been expecting & of
you too. —

The Chinese specimens of
Mepes fine and welcome. —

Very truly & cordially

W. S. Haller

Peru colors & insects very satisfactory
— thank Sprague for his trouble. —

Sullivant, William S. 1856. "Sullivant, William Oct 1, 1856." *William Starling Sullivant letters* –.
