Dear Professor Gray,

The fascicle 82 of the Flora Bras.  
has appeared and been forwarded  
to you. I take the liberty to en-  
close the bill of it. I don't remem-  
ber having acquainted you with  
the fact, the Brazilian govern-  
ment has granted new means  
for the continuation, it is indeed  
only for two years, but I hope  
they will prolong the service, as  
it is quite impossible to con-  
clude it in so short a space.

We are now established in  
our new Museum building and  
shall

shall be glad to welcome you  
there, when you set on work  
your intended journey to our  
country.

Believe me, Dear Professor  
Gaz, ever

yours

very truly

A. W. Lickla
