

Dr. Asa Gray

Dec. 24 - 1886

Dr. W. Bullard.

HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.

Dec. 24 1886

Dear Mr. Brewster

Of course I knew
Bullard, not at all in-
timately - he had no
intimates in these parts
after the death of Mr.
James Brown.

But I can give you
precisely the principal
data.

Born at Littleton, in Yorkshire
1786

Came to N. S. (Philadelphia) in
1808

Returned to England, to
reside, after the death of
an uncle in - - -

Came back in 1847-8.

Spent his last years
at Buttome in Lancashire,
near Preston. - The
estate left him for life
by his Uncle (?)
Died there Sept. 7,
1859.

Buttome would be
readily visited. I
presume the place
went to relatives.

Very truly Yours

Ascham
