

42 Shepard St.,  
Cambridge, Mass.,  
19 Dec. 1899.  
Dear Dr. Kennedy:

Will you be so kind  
as to look over the  
enclosed manuscript  
and tell me whether  
it is all right for  
publication in Rhodora?  
None of the editorial board  
is bryologist enough to  
tell much about the  
value of moss papers.

As far as we have  
seen Mr. Merrill's  
work in the flowering  
plants it has seemed  
pretty good.

If for any reason  
you find it inconve-  
nient to look over the  
manuscript will you  
kindly forward it to  
Mr. J. F. Collins, with  
this letter?

Thanking you in advance  
I am with kindest re-  
gards

Very respectfully yours,  
V. B. L. Robinson.
