Dear Mr. Greene

Thanks for address.

I do not care for duplicate
Houstonias - I merely want
to see all possible material
from localities in Boreal zone
and upper part of Transition
zone. It is just as well
to send them to Dr. Rose,
botanist, as he is working
on the subject at my instigation
and thus far on material that
I have furnished him -

Sincerely

Mr. Miller
(zoologist)
