

April 1, 80,
St. George Utah

My Dear Sir,

Your favor of March 15, 80.
is at hand. I have secured
good specimens of *Notholaena Parryi*
but as yet have found no other ferns
save *Adiantum Capillus-Veneris*,
Mr. Johnson's son and I expect to
go for *N. tenera* soon. I will do
the best I can to secure the ferns you
mention, but only a few of them
are represented here. The catalogue
has not yet reached me. Had I
received these desiderata of you last
season I could have sent you a
fine suite of specimens of *Chilotricha*
Eatonii and *Fendleri*, & if I go to Cal.
this year I may get good specimens.
I have good ones of *C. Fendleri* now
at Grinnell, but cannot send them
before fall. The flora is very late
here this Spring, but plants are coming

on my part,

I shall be glad to hear from you
at any time.

I am Very Truly Yours,

Marion E. Jones.

Address Salt Lake City
Utah.
