

Washington D.C.

June 24/1900

My dear Deane:

I was quite disgusted with myself when I looked at my watch Wednesday night and saw how very very late it was. I hope Mrs. D. will forgive me. Thursday morning I went down to Kree Land & Washington Sts. and bought 3 lbs. of the most freshest candy I have seen in a long time. I had it put up in three boxes. The Candy had just been brought in and had not been taken out of the trays. The children were delighted with it and I want to thank you once more. Rebecca says she never did enjoy candy so much.

Then I went down to Frenches
- the same place you took me to -
where I bought some Haviland china
which seemed to please Mrs. Roe
very much.

I had a very pleasant trip down
the Sound. I remained over
in New York all day Friday taking
the Congressional in the evening for
Washington. Before leaving
New York I invested in a box
of 4th of July things.

I found my family all well
and glad to see me.

I had such a good time but
I owe much of it to you & Mrs
- Deane.

Mrs. Roe joins in sending
love to Mrs. Deane.

Your friend
J. H. Roe
