WASHINGTON, D. C., Jan. 2, 1904.

Mr. Walter Deane,
Cambridge, Mass.

My dear Mr. Deane.

I had a letter from Mrs. Stevens some days ago about Dr. Blanchard's Vermont specimens and I at once wrote to her the result of my search. I am sending you under separate cover the only four specimens of *Utricularia* in the National Herbarium, none of which are from Vermont. If you can furnish us any material of the other species we will appreciate it very much indeed.

Yours very truly,

Assistant Curator, Division of Plants.

Rose, J. N. 1904. "Rose, J.N. Jan. 2, 1904." *Correspondence relating to preliminary lists of New England plants, 1897-1904 (inclusive)*
