

University of California,
COLLEGE OF AGRICULTURE,

Berkeley, June 26, 1887

My Dear Sir.

In response to your letter of June 20 I have posted to you all I am able to furnish of my "Studies" etc. No. III of the Studies I had just sent the last duplicate of to your State Library in Boston, to complete their set.

I add a copy of part IV of Pittoria, the form in which my botanical writings will hereafter, for the most part, appear.

I infer, by your asking for other of my contributions & botany, that I should place your name on the subscription list for Pittoria.

For the present sending, which I register for safety, on account of the growing rarity of these papers, you can, if you will, remit a postal note for \$1.60.

Yours Very Truly

Edw. L. Greene.
